(Long to Be) Close to You

**_

Why do birds, suddenly appear

Every time, you are near

Just like me, they long to be

Close to you

—

Hermoine and Harry were at lunch period. Hermoine saw Harry talking (aka flirting) with Cho Chang as she entered the lunch hall. She gave Co a nasty look and went to sit next to her friend, Lavender. Lavender saw that Hermoine was distracted and followed her gaze over to Harry.

"Hermoine," Lavender said, shaking her friend out of her daze. Hermoine looked to her with teary eyes. Lavender gave her a hug as Hermoine started to cry.

—

Why do stars, fall down from the skies,

Every time, you walk by?

Just like me, they long to be,

Close to you

—

Hermoine wiped her eyes as the bell rang to go to class. Lavender stood up and walked away with a concerned look Hermoine's way. She brushed her friend off as Cho walked up to her. She snickered and walked away to catch up with Harry. They walked down the hall together as Hermoine ran off.

—

On the day that you were born, the angels got together,

And decided to create a dream come true,

So they sprinkled gold dust in your hair,

Golden starlight in your eyes of blue.

—

Hermoine walked out by the lake after school was over and sat down, gazing at the stars. She jumped as Harry came up behind her and sat down on the bank next to her. She looked at him, his features amplified in the moonlight and sighed. Harry put his arm around her and gazed into her eyes. She shivered as he leaned in and kissed her lips softly.

—

That is why, all the girls in town,

Follow you, all around,

Just like me, they long to be,

Close to you.

—

Hermoine pulled away and looked at Harry curiously.

"But what about Cho?" she asked, looking deep into his eyes. He shook his head and smiled.

"Cho and I are just friends. I know she always flirts with me and everything, but I don't like her like that. Hermoine, I—" he trailed off. Hermoine looked to him, urging him to tell her whatever it was he needed to say.

"Hermoine, I—I love you," Harry said, pulling her close. She smiled at him and kissed his cheek.

"I love you too Harry," she said. He wrapped his arms around her, held her close, and kissed her longingly on the lips.

Harry and Hermoine walked hand in hand down the bank. He put his arm
around her lovingly and she rested her head on his shoulder. They
stop and look out at the lake. They turn to one another and
kiss.
